LARGE MINE RECLAMATION CONTRACT

This Reclamation Contract (hereinafter referred to as "Contract") is entered into between **Miracle Rock Mining and Research, LC** the "Operator" and the Utah State Division of Oil, Gas and Mining ("Division").

WHEREAS, Operator desires to conduct mining operations under Notice of Intention (NOI) File No. **M/015/040** Which has been received by the Division under the Utah Mined Land Reclamation Act, Sections 40-8-1 et seq., Utah Code Annotated, (2005, as amended) (hereinafter referred to as "Act") and the regulations adopted pursuant to the Act; and

WHEREAS, Operator is obligated to reclaim the land affected by the mining operations in accordance with the Act and regulations, and the Operator is obligated to provide a surety in form and amount approved by the Division or the Board of Oil, Gas and Mining (Board) to assure reclamation of the lands affected by the mining operations.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Division and the Operator agree as follows:

1. Operator agrees to promptly reclaim in accordance with the Act and regulations, as they may be amended, and in accordance with the mining and reclamation plan (Reclamation Plan) approved by the Division all of the lands affected by the mining operations conducted or to be conducted pursuant to the approved Notice of Intention.
2. The Lands Affected by the mining operations and subject to the requirements of the Act and this Contract include:

☒ APPROVED

- A. All surface and subsurface areas affected or to be affected by the mining operations including but not limited to private on-site ways, roads, railroads; land excavations; drill sites and workings; refuse banks or spoil piles; evaporation or settling ponds; stockpiles; leaching dumps; placer areas; tailings ponds or dumps; work, parking, storage, and waste discharge areas, structures, and facilities; and
 - B. All mining disturbances regardless of discrepancies in the map and legal description, unless explicitly and clearly identified as EXCLUDED on maps, and legal descriptions included in the approved NOI; provided lands may be excluded only if: (1) they were disturbed by mining operations that ceased prior to July 1, 1977; (2) the lands would be included but have been reclaimed in accordance with an approved notice or reclamation plan; or (3) the lands were disturbed by a prior operation for which there is no surety, no legally responsible entity or person, and which lands are not necessarily or incidentally intended to be affected by the mining operations as described in the approved NOI.
- 3. The Reclamation Plan is intended to establish methods, plans, specifications, and other details required by the Act and regulations as they pertain to the lands affected by mining operations, and no provision of the Reclamation Plan shall be interpreted to diminish the requirements of the Act and regulations. The Operator shall be responsible for reclamation of all such Lands Affected regardless of errors or discrepancies in the maps or legal descriptions provided with the NOI or Reclamation Plan, which are primarily intended to assist in determining the location of the mining operations, to describe the areas of disturbance, and to assist estimating the amount of surety required.
- 4. The Operator prior to commencement of any mining operations and as a precondition to the rights under the Notice of Intention shall provide a surety in a form permitted by the Act and in an amount sufficient to assure that reclamation of the Lands Affected will be completed as required by the Act. The Surety shall remain in full force and effect according to its terms unless modified by the Division in writing. A copy of the agreement providing for the Surety for the reclamation obligations herein is included as **ATTACHMENT A** to this Contract.
- 5. If the Surety expressly provides for cancellation or termination for non-renewal:
 - A. The Operator shall within 60 days following the Division's receipt of notice that the Surety will be terminated or cancelled, provide a replacement Surety sufficient in a form and amount, as required by the Act, to replace the cancelled surety; or

B. If the Operator fails to provide an acceptable replacement Surety within 60 days of notice of cancellation or termination, the Division may order the Operator to cease further mining activities, and without further notice proceed to draw upon letters of credit, to withdraw any amounts in certificates of deposit or cash and/or other forms of surety, and to otherwise take such action as may be necessary to secure the rights of the Division to perfect its claim on the existing surety for the purpose of fully satisfying all of the reclamation obligations incurred by the Operator prior to the date of termination, and the Division may thereafter require the Operator to begin immediate reclamation of the Lands Affected by the mining operations, and may, if necessary, proceed to take such further actions as may be required for the Division to forfeit the surety for the purpose of reclaiming the Lands Affected.

6. The Operator's liability under this Contract shall continue in full force and effect until the Division finds that the Operator has reclaimed the Lands Affected by mining operations in accordance with the Act, the regulations, and the Reclamation Plan, as they may be amended. If the mining operations are modified or for any other reason vary from those described in the approved Notice of Intention, the Operator shall immediately advise the Division, and the Notice of Intention shall be revised and the Surety amount shall be adjusted as necessary.
7. If reclamation of a substantial phase or segment of the Lands Affected by the mining operations is completed to the satisfaction of the Division, and the Division finds that such substantial phases or segments are severable from the remainder of the mining area, Operator may request the Division to find that Operator has reclaimed such area. If the Division makes such finding, Operator may make request to the Division for a reduction in the aggregate face amount of the Surety, and the Division may reduce the surety to an amount necessary to complete reclamation of the remaining mining operations as anticipated by the approved Notice of Intention in accordance with the requirements of the Act and regulations, as amended and the Reclamation Plan, as amended. If the Division makes such finding, Operator may make request to the Division for a reduction in the amount of the surety. The Division, or the Board if the surety is in the form of a board contract, may permit such a reduction if it determines that the reduced amount will be adequate to ensure complete reclamation of the lands affected by the mining in accordance with the requirements of the Reclamation Plan, the rules and the Act, as amended.
8. Operator may, at any time, submit a request to the Division to substitute surety. The Division may approve such substitution if the substitute surety meets the requirements of the Act and the rules.
9. Operator agrees to pay all legally determined public liability and property damage claims resulting from mining operations, to pay all permit fees, to

maintain suitable records, to file all required reports, to permit reasonable inspections, and to fulfill all sundry reporting requirements applicable to the mine as required by the Act and implementing rules.

10. Operator agrees to indemnify and hold harmless the State, Board and the Division from any claim, demand, liability, cost, charge, suit, or obligation of whatsoever nature arising from the failure of Operator or Operator's agents and employees, or contractors to comply with this Contract.
11. If Operator shall default in the performance of its obligations hereunder, Operator shall be liable for all damages resulting from the breach hereof including all costs, expenses, and reasonable attorney's fees incurred by the Division and/or the Board in the enforcement of this Contract.
12. Any breach of a material provision of this Contract by Operator may, at the discretion of the Division, in addition to other remedies available to it, result in an order by the Division requiring the Operator to cease mining operations, and may thereafter result in an Order, subject to an opportunity for notice and hearing before the Board, withdrawing and revoking the Notice of Intention, and requiring immediate reclamation by the Operator of the Lands Affected or forfeiture of the Surety.
13. In the event of forfeiture of the Surety, Operator shall be liable for any additional costs in excess of the surety amount that is required to comply with this Contract. Upon completion of the reclamation of all of the Lands Affected, any excess monies resulting from forfeiture of the Surety shall be returned to the rightful claimant.
14. The Operator shall notify the Division immediately of any changes in the Operator's registered agent, the Operator's address, form of business, name of business, significant changes in ownership, and other pertinent changes in the information required as part of the Notice of Intention. Notwithstanding this requirement, any changes to the Notice of Intention, and any errors, omissions, or failures to fully or accurately complete or update the information on the Notice of Intention, or the attached maps, shall not affect the validity of this Contract and the rights of the Division to enforce its terms.
15. If requested by the Division, the Operator shall execute addendums to this Contract to add or substitute parties, or to reflect changes in the Operator, Surety, and otherwise modify the Contract to reflect changes in the mining operations as requested by the Division. All modifications must be in writing and signed by the parties, and no verbal agreements, or modifications in any of the terms or conditions shall be enforceable.
16. This Contract shall be governed and construed in accordance with the laws of the State of Utah.

11. If Operator shall default in the performance of its obligations hereunder, Operator shall be liable for all damages resulting from the breach hereof including all costs, expenses, and reasonable attorney's fees incurred by the Division and/or the Board in the enforcement of this Contract.
12. Any breach of a material provision of this Contract by Operator may, at the discretion of the Division, in addition to other remedies available to it, result in an order by the Division requiring the Operator to cease mining operations, and may thereafter result in an Order, subject to an opportunity for notice and hearing before the Board, withdrawing and revoking the Notice of Intention, and requiring immediate reclamation by the Operator of the Lands Affected or forfeiture of the Surety.
13. In the event of forfeiture of the Surety, Operator shall be liable for any additional costs in excess of the surety amount that is required to comply with this Contract. BUSINESS TYPE: Limited Liability Company

Account Number	Issue Date	Deposit Amount	Term	Maturity Date
	July 14, 2009	\$100,428.61	12 Months	July 14, 2010

Rate Information: This Account is an interest bearing account. The interest rate on the account is 2.13% with an annual percentage yield of 2.15%.

The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect until July 14, 2010. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will be compounded quarterly and will be credited quarterly. We will deposit the interest in an account that you designate. Interest will be credited quarterly to your account. The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. We will use an interest accrual basis of 365 (or 366 in leap year) for each day in the year. You must maintain a minimum balance of \$100,000.00 in the account each day to obtain the disclosed annual percentage yield.

Time Account Information: Your account will mature on July 14, 2010. If you withdraw any of the principal before the maturity date, we may impose a penalty of 90 days interest on amount withdrawn. If the account is closed before interest is credited, you will not receive the accrued interest. This account will automatically renew. You will have 10 days after the maturity date to withdraw funds without penalty. If you do not withdraw the funds, each renewal term will be for an identical period of time as the original term.

TIME DEPOSIT AGREEMENT

We appreciate your decision to open a time deposit account with us. This Agreement sets forth certain conditions, rates, and rules that are specific to your Account. Each signer acknowledges that the Account Holder named has placed on deposit with the Financial Institution the Deposit Amount indicated, and has agreed to keep the funds on deposit until the Maturity Date. As used in this Agreement, the words "you", "your" or "yours" mean the Account Holder(s), the word "Account" means this Time Deposit Account and the word "Agreement" means this Time Deposit Agreement, and the words "we", "us" and "our" mean the Financial Institution. This Account is effective as of the Issue Date and is valid as of the date we receive credit for noncash items (such as checks drawn on other financial institutions) deposited to open the Account. Deposits of foreign currency will be converted to U.S. funds as of the date of deposit and will be reflected as such on our records.

INTEREST RATE. The interest rate is the annual rate of interest paid on the Account which does not reflect compounding ("Interest Rate"), and is based upon the interest accrual basis described above.

AUTOMATIC RENEWAL POLICY. If the Account will automatically renew as described above, the principal amount and all paid earned interest that has not been withdrawn will automatically renew on each Maturity Date for the term described above in the Time Account Information section. Interest on renewed accounts will be calculated at the interest rate then in effect for time deposits of that Deposit Amount and term. If you wish to withdraw funds from your Account, you must notify us during the grace period after the Maturity Date.

EARLY WITHDRAWAL PENALTY. You have agreed to keep the funds on deposit until the Maturity Date of your Account. Any withdrawal of all or part of the funds from your Account prior to maturity may result in an early withdrawal penalty. We will consider requests for early withdrawal and, if granted, the penalty as specified above will apply.

Minimum Required Penalty. If you withdraw money within six (6) days after the date of deposit, the Minimum Required penalty is seven (7) days' simple interest on the withdrawn funds. If partial early withdrawal(s) are permitted, we are required to impose the Minimum Required Penalty on the amount(s) withdrawn within six (6) days after each partial withdrawal. The early withdrawal penalty may be more than the Minimum Required Penalty. You pay the early withdrawal penalty by forfeiting part of the accrued interest on the Account. If your Account has not earned enough interest, or if the interest has been paid, we take the difference from the principal amount of your Account.

Exceptions. We may let you withdraw money from your Account before the Maturity Date without an early withdrawal penalty: (1) when one or more of you dies or is determined legally incompetent by a court or other administrative body of competent jurisdiction; or (2) when the Account is an Individual Retirement Account (IRA) established in accordance with 26 USC 408 and the money is paid within seven (7) days after the Account is opened; or (3) when the Account is a Keogh Plan (Keogh), if you forfeit at least the interest earned on the withdrawn funds; or (4) if the Account is an IRA or a Keogh Plan established pursuant to 26 USC 408 or 26 USC 401, when you reach age 59 1/2 or become disabled; or (5) within an applicable grace period (if any).

RIGHT OF SETOFF. Subject to applicable law, we may exercise our right of setoff or security interest against any and all of your Accounts (except IRA, HSA, Keogh plan and Trust Accounts) without notice, for any liability or debt of any of you, whether joint or individual, whether direct or contingent, whether now or hereafter existing, and whether arising from overdrafts, endorsements, guarantees, loans, attachments, garnishments, levies, attorneys' fees, or other obligations. If the Account is a joint or multiple-party account, each joint or multiple-party account holder authorizes us to exercise our right of setoff against any and all Accounts of each Account Holder.
